## MUSIC COMPETITION INFORMATION

Another Opening, Another Show! Fall Inn 2007 is almost here, and that means it is time to get together, re-new friendships, and have fun. It is also your opportunity to participate in the Music Competition.

As in years past there will be several categories available to choose from. You may select from: Vocal Solo, Vocal Ensemble, Instrumental Solo, Instrumental Ensemble, and Bethel Choir. With the exception of Bethel Choir, each category will be divided by age (10-14 and 15-19). You will be expected to bring 3 copies of your music (for the judges) as well as arrange for any props, accompaniment, etc. that your selection may require. I will have available a CD/Tape player if needed.

Each category will be judged with a required piece (see below) as well as a selection of your choice. Vocal music, both the required piece, as well as your selection, should be memorized. For ensembles and choirs, the use of harmony will be an important consideration. Presentation is also important so if your selection is enhanced by the use of a prop or costume, please feel free to do so. Instrumental solos/ensembles are allowed to transpose music, if necessary, to accommodate the instrument.

If there are any questions, please contact me.

See you at Fall Inn,

Cynthia McDonald  
Grand Bethel Director of Music
