Dear Minnesota Job's Daughters,

Minnesota will be sending two Daughter Voting Delegates to Supreme Session in Springfield, MO this year. This is an exciting opportunity for members of our Order to have a direct voice in decisions that shape the future of Job's Daughters.

Any member who is interested and understands the responsibilities of the role is encouraged to apply. Serving as a Voting Delegate is a meaningful way to represent Minnesota and help guide our organization forward.

Members considering applying should review the current Job's Daughters International and MN GGC Bylaws for detailed information regarding the roles and responsibilities of a Daughter Voting Delegate, as well as what expenses are covered when attending Supreme Session.

Many members have said they want to make a real impact on our organization. This is your opportunity to do just that.

We look forward to receiving your applications.
