

HELP SUPPORT MINNESOTA JOB'S DAUGHTERS

The Grand Guardian Council of Minnesota is looking for adult volunteers who are interested in serving on committees for the 2026–2027 year.

Whether you enjoy planning events, supporting members, helping behind the scenes, or sharing professional skills, there is a place for you to get involved.

Serving on a committee is a great way to:

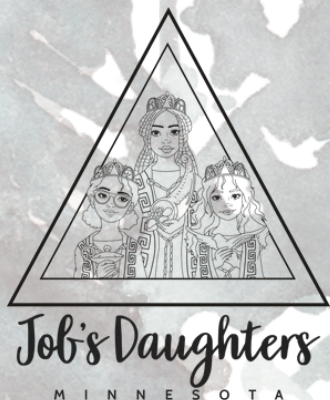

- Support our members across Minnesota
- Share your talents and experience
- Connect with other dedicated volunteers
- Help shape the future of Minnesota Job's Daughters

Completing the interest form does not commit you to a committee. It simply helps us learn where you may like to help.

Please take a few minutes to complete the Committee Interest Form today.
