

## **Job's Daughters Change Their World**

*Written by: Carol Gillett*

Today another term begins  
There's excitement in the day.  
With new tasks before us  
We find changes on the way.

No matter what our age or dreams  
There are lessons to be learned  
In Job's Daughters we have the choice  
To guide our paths and use our voice.

Choir:  
Young voices clear ring out to all  
The songs that we all know  
Of prayer, of song, of smile  
Their eagerness to show.

Inner & Outer Guard:  
To guard the doors of our Bethel  
So no one will intrude  
Is the beginning of our knowledge  
And ability to prove.

Junior & Senior Custodians:  
Custodians are active in our meetings  
They learn about our possessions  
The help in teaching new members  
And prepare to end our sessions.

Musician:  
Our musician helps us on our way  
To deciding life's directions.  
The harmony her notes give forth  
Guide us in our lessons.

Librarian:  
She seeks to educate us  
And adds a note of wisdom here  
Her search for knowledge to impart  
Leads members to learn without fear

Chaplain:  
We learn to trust  
In the God we love  
As she leads our prayers  
To the one above.

Recorder:  
To keep us on our way  
The recorder writes our deeds

To help us learn priority and order  
For all our future needs.

Treasurer:

Our treasurer guards the funds  
And reports on where we stand  
She trusts that we will be wise  
In using our resources at hand.

Messengers:

The messengers relate Job's life  
Expecting that we will hear the words  
That give us the will to change our lives  
And have faith that we will see rewards

Marshal:

Each Bethel possession is placed with care  
By our Marshal who knows the way  
She carries our flag and helps the Guide  
That others will have their day

Guide:

Our Guide leads new members by the hand  
She watches their every act  
As they learn the strength of Job's Daughters  
She helps to teach with tact.

Junior Princess:

Our Junior Princess teaches about patience  
She shows us to be careful before we speak  
We learn the art of listening  
A life's lesson for all to keep

Senior Princess:

Faith is the message of our Senior Princess  
One which makes us strong, but humble of heart  
Faith in one God and our fellowman  
Gives us courage to make our life's start

Honored Queen:

Our Honored Queen has learned her lessons well  
She seeks to show us the way  
To keep our lives in positive control  
While living well each day

She oversees all of our acts and fun  
Sharing her wisdom, experience and love  
She tells us that we must be patient and kind  
But to trust in our knowledge and help from above

Job's Daughters:

An organization to call our own  
Job's Daughters their decisions make  
With advice from adults who care  
And help us for our sake

A time to learn skills, one by one  
Knowing how to get jobs done  
With patience and faith we work together  
To strive to work as one.

Before you now stand our Daughter's of Job  
Learning life's ways day by day  
Listening to elders and peers alike  
So they may find their way

We have lifeskills that make us prepared  
To use our God-given talents right  
The confidence and strength learned day by day  
Will help to change the world with our might

Early in life their tasks begun  
We teach them to reach for their best  
They will have the skills to make choices  
The youth will stand the test.

Job's Daughters, fear not about failure  
Use gentleness, patience and faith  
In dealing with life's daily challenges  
Success will be within reach.
