GRAND GUARDIAN COUNCIL OF MINNESOTA
JOB'S DAUGHTERS INTERNATIONAL
REVISIONS OF MANUAL OF RULES AND REGULATIONS

The following amendments were passed at the Annual Sesson of the GGC, June 2026. Please insert the new pages and discard the old pages following the instructions below. Each Bethel shall have at least four (4) copies of the Constitution and Bylaws and the Manual of Rules and Regulations in their possession; all said copies shall be updated annually. Pages can be downloaded by going to the Minnesota Job's Daughters website at www.mnjd.org and selecting "Member Resources" at the top of the page, then selecting "Bylaws" from the dropdown menu. Print each page on the color of paper as noted at the bottom of each page. The margin for punching holes for the three ring binder is found at the bottom of each page.

In addition to the pages that are listed below, all other pages of the MN Manual of Rules and Regulations are on Minnesota Job's Daughters website. For the JDI Constitution and Bylaws please refer to www.jobsdaughtersinternational.org under "Resources" and then "Bethel Resources".

Additional Changes to note:

- The merged publication of the MN Manuel onto JDI pages has been suspended. Both the MN Manual and the JDI Constitution and Bylaws will need to be printed in full.
- Items omitted in error from prior publications of the MN Manual have been readded to the book. This primarily impacts the sections for the BGC and Bethels.
- All citations to other locations of law have been reviewed and updated.
- MN specific SOP's have been renumbered to comply with Supreme law.
- Titles and some terms have been updated to reflect Supreme law.
